

## King County Transportation Tax Effective April 1, 2007

**Effective April 1, 2007**, sales and use tax within all of King County will increase one-tenth of one percent (.001). The tax will be used for transportation purposes.

Businesses must collect the appropriate new rate of sales tax for retail sales and services provided within the county. Persons or businesses within King County will be subject to the new rate of use tax on items purchased for their personal or business use if sales tax has not been paid.

### Note to Lodging Businesses:

The tax increase will apply to lodging charges for hotels/motels with less than 60 lodging units. **However, the tax increase will not apply to lodging charges that are subject to the convention and trade center tax, that is, lodging charges of hotels/motels with 60 or more lodging units.**

The tax increase applies to all hotel/motel charges for non-lodging retail sales, such as, meals, room service, telephone charges, etc.

The tax increase also applies to use tax due on items consumed in providing lodging, such as, consumable supplies, guest toiletry items, bed and bath linens, furniture, etc.
